### FRINGE BENEFITS

#### 5.1 Health Insurance

- A. The Board of Education agrees to assume the following percentage of premium cost for health insurance coverage for employees under the District-wide health insurance plan.
1. Effective July 1, 1999, the District shall pay 90% of the cost of the health insurance premium for a single, two-person or family plan. Each employee shall pay the remaining 10% of the cost of the health insurance premium.
  2. The District shall implement the pre-tax dollar benefits provided pursuant to Section 125 of the U.S. Internal Revenue Code ("IRS 125") effective July 1, 1998.
  3. Effective January 1, 1999, the annual extended medical deductible for each participating bargaining unit member shall be \$100 per individual plan and \$300 per family plan. All deductibles shall be paid in full by the participating bargaining unit member.
  4.
    - a. Effective January 1, 1999, the calculation of the out-of-pocket coinsurance maximum will change from a cumulative lifetime basis to a calendar year basis.
    - b. Any bargaining unit member who had reached the former cumulative lifetime out-of-pocket coinsurance contribution of \$500.00 prior to January 1, 1999 shall be held harmless and exempt from the provisions of paragraph (2)(a) above. Any bargaining unit member who reaches the former cumulative lifetime out-of-pocket

coinsurance contribution at any time after January 1, 1999 shall be subject to paragraph (2)(a) above.

5. In lieu of participation in a health insurance plan as provided in this Article, for which they would otherwise be eligible, employees may elect to waive such coverage in favor of direct compensation. Only employees who present proof of alternative health insurance shall be eligible. Election to participate in this option must be made in writing, on a form to be provided by the District, no later than June 1 for the subsequent school fiscal year. Compensation for employees so electing shall be as follows:

Individual	\$ 500
Two-Person	\$ 750
Family	\$1,000

Any employee employed before June 30, 1998, who is receiving District provided health insurance shall be eligible to participate in the health insurance buyout. If an employee is employed as of June 30, 1998, but is not receiving District provided health insurance, (s)he shall not be eligible for the health insurance buyout. Employees hired after June 30, 1998 must receive District provided health insurance for one full school year prior to being eligible for the buy-out option. Any employee who is married to another District employee and the couple receives one family plan or one two-person plan through the District, the employee who is not the named policyholder will not be eligible for the buyout. In regard to employees who are married

to other District employees who are covered by two individual health insurance plans, one cannot "waive coverage" and receive the buyout while the other enrolls in a two-person health plan.

6. The District shall pay for only one family or two-person health insurance plan per family in situations in which two individual family members work for the District. For example, married employees may each carry individual health insurance plans or one family/two-person plan, but may not carry two family or two-person plans.

- B. The Board reserves the right to contract for benefits provided under paragraph A above through an insurance carrier other than the one currently designated. In the event of a change of carrier, the hospital, medical/surgical and major medical benefits provided by the new carrier shall, in all respects be at least equal to the benefits provided under the Blue Cross/Blue Shield Plan C that was in effect on June 30, 1983.

- C. The District may offer the employees and their dependents the option of enrollment in a federally qualified health maintenance organization.

## 5.2 Payroll Deductions

- A. Dues

1. The School District agrees to deduct from the salary of Buildings and Grounds Staff dues for the Civil Service Employees Association, Inc., which is duly recognized as the sole and exclusive bargaining agent for the

aforementioned Association. The employee's authorization for this deduction must be made in writing.

2. The CSEA or its designated agent will certify to the school business administrator in writing the current rate of its membership dues. If the Association and/or its agent changes the rate of its membership dues, it will give the District written notice prior to the start of a given school year.
3. The School District will honor requests for dues deduction submitted not later than the third day of each school year. Any new employee starting service during the course of the year will be permitted to request dues deduction within three weeks after the time of employment.
4. No later than the third day of school each year, the Association will provide the School District with the signed forms of those new employees who have voluntarily authorized the School District to deduct dues.
5. When a deduction form is signed and submitted, it commits the employee to a continuous and complete deduction of all dues listed on the form. Once a deduction is authorized by an employee, the entire amount of dues will be deducted even though the employee may leave service in Gloversville during said school year.
6. For employees in the bargaining unit represented by the Buildings and Grounds Staff who began rendering services to the District on or after July 1, 1998, the District shall deduct from the salary of such employees who are not members of the Buildings and Grounds Staff, an amount equivalent to the

dues levied by the Buildings and Grounds Staff for members and shall transmit the sum as deducted to the Buildings and Grounds Staff in accordance with Chapters 677 and 678 of the laws of 1977 of the State of New York. The Buildings and Grounds Staff affirms that it will adopt such procedure for refund of agency fee deduction as required in Section 3 of Chapters 677 and 678 of the Laws of 1977 of New York State. The provision for agency fee deductions shall continue in effect as long as the Buildings and Grounds Staff maintains such procedure. This provision shall not apply to any employees who began rendering services as part of the bargaining unit represented by the Buildings and Grounds Staff prior to July 1, 1998.

B. Tax-Sheltered Annuities

1. Tax sheltered annuities shall be available for any staff member upon written application to the Gloversville Enlarged School District and to the annuity company, submitted prior to November 1 of each school year. Payment for these annuities will be deducted by the Gloversville Enlarged School District from each pay check.
2. The number of companies from which annuities may be purchased shall be determined by the Board of Education. All companies must meet the criteria of the Department of Taxation, IRS, for 403(B) plans before it will be approved by the Board of Education.
3. An employee must select his/her plan from the list of companies approved by the Board of Education.

4. The cost of administering the program shall be borne by the District.
  - C. Members of the Buildings and Grounds Staff will have the privilege of buying U.S. Savings Bonds through the deduction plan.
  - D. Payroll deductions for credit union purposes shall be provided by the District.
- 5.3 Plan 75g, the 1/50th Retirement Program will become effective July 1, 1973, for those persons on the Buildings and Grounds Staff that are eligible.
- 5.4 Worker's Compensation
- A. The following conditions govern the use of sick leave while absent under Worker's Compensation.
    1. Full wages shall be paid by the School District up to a maximum amount of unused accumulative sick days.
    2. The compensation received by the employee shall be returned to the School District while the employee is receiving sick leave benefits.
    3. Upon returning to employment, the amount of sick leave to be charged against the employee's accumulated sick leave will be prorated to the nearest whole day.

Example: Two-thirds of the absence may be reimbursed by compensation. one-third of the absence may be charged to sick leave.
    4. When the employee's sick leave is exhausted, the employee may apply for an unpaid leave of absence not to exceed one year.

5.5 Health Insurance - Retirees

- A. Any employee with five years of Gloversville Enlarged School District service who gives written formal notice 30 days prior to his or her date of retirement to the Superintendent of Schools will be eligible to receive partial credit for accumulated and unused sick leave toward payment of the employee's cost of coverage under the District-wide insurance plan.

The following formula will be used to compute the employee's entitlement:

Daily rate at retirement x 1/20 of unused sick leave up to 220 days = total allotment toward employee's cost of health insurance.

$$\text{Daily rate} = \frac{\text{Yearly Salary}}{260}$$

Example: Annual salary = \$13,000  
1/260th of annual salary = \$50  
Sick Leave Accumulated = 200 days 1/20th x 200 days = 10 days

The total accumulated health insurance premium reserved is \$500

If the employee's monthly contribution required for health insurance equals \$10, \$500 divided by \$10 equals 50 months.

Therefore, this retiree will receive 50 months of health insurance without contribution from the retiree. After the health insurance premium has been exhausted, the retiree will begin to contribute the employee's share of the cost of coverage under the District-wide insurance plan.

#### 5.6 Purchasing of Military Service Credit

The Board of Education of the Gloversville Enlarged School District, by resolution, effective March 31, 1971, authorized employees who are members of the New York State Employees' Retirement System to claim credit toward retirement for military service rendered during time of war.

### TEMPORARY LEAVES OF ABSENCE

## 7.1 Personal Illness

- A. Employees, who are employed on a full time basis, will be credited with 15 sick leave days each school year as of the first official day of said school year, whether or not they report for duty on that day. In case of merit, the Board may allow sick leave beyond the above limit. Should the employee leave employment during the school year for whatever reason, entitlement to such leave will be pro-rated to one and one-quarter days per month. Any days then in excess of the entitlement will be adjusted in the employee's final paycheck. Sick leave days may be accumulated from year to year to a limit of 220 days, provided, however, that such limit shall be applied only at the conclusion of the year in which the employee reaches 220 days.
- B. A certificate from a physician shall be required of any employee using six or more consecutive days and a certificate from the school physician shall be required of any employee using 11 or more days. A certificate may be required from the employee's physician or the school physician at any time, for any number of days, at the discretion of the Superintendent of Schools.
- C. A new employee becomes eligible for sick leave when he has completed all employee requirements, i.e., physical exams, blood tests, x-ray, as enumerated by the Gloversville Enlarged City School District.

## 7.2 Other Additional Days

- A. In addition to the 15 days for personal illness, five additional days are granted on which an employee may be absent from duty. Such days are on a non-cumulative basis. They may be used for the following reasons:

1. Death or illness in the immediate family, not to exceed five days (40 Hours).

Leave for death or illness in the immediate family may be taken in hourly increments. One additional day will be granted for death not in the immediate family.

2. If five days of non-cumulative leave have previously been used, then three additional days will be granted for death in the immediate family and will be deducted from the employee's accumulated sick leave. This procedure will apply for each death of a member of the immediate family that may arise.

3. Immediate family is defined as wife, husband, parent, parent-in-law, son, daughter, sister, brother, grandchild, grandparent, a relative who resides at the employee's home or a relative of whom the employee is the sole surviving family member.

B. Religious holidays, not to exceed three days.

C. Personal business, not to exceed two days (16 hours).

1. Will be granted for such personal business that cannot be scheduled at any time other than on a regular school day. Personal business leave may be taken in hourly increments.

2. No more than two days absence per year may be approved for this purpose. The request must be submitted in writing, approved by the immediate administrative staff member responsible for payroll, and the Superintendent of Schools, prior to such absence. The applicant requesting such leave will not be required to state the reason for taking such leave. These days will be

deducted from the five days of temporary leave granted for reasons other than personal illness.

3. Absence for personal reasons may not be used for the purpose of extending any Buildings and Grounds employee vacation period except in cases of emergencies.

4. Unused personal business days may be added to the employee's accumulative sick leave.

7.3 Time necessary for appearances in any legal proceeding connected with the employee's employment or with the school system or in any other legal proceeding if the employee is required to attend.

7.4 Leaves taken pursuant to this section will be in addition to any sick leave to which the employee is entitled. No employee will be required to arrange for his own substitute.

7.5 If the five days of non-cumulative leave have previously been used, the three days will be granted for death in the family and will be deducted from accumulative sick leave.

7.6 when all emergency closing days are not used, the Friday preceding Memorial Day will be added to the vacation weekend.

7.7 Employees on unpaid leave of absence do not accrue any vacation, sick leave or personal leave credits.

7.8 If a bargaining unit employee has perfect attendance (i.e. has taken no sick, family illness or personal business days) between July 1 and June 30 of the preceding school year, the District shall pay such employee a \$100 bonus. The District will pay a \$75 bonus to each employee with only one day of absence (sick, family illness or personal business day) in such
